

Remarks

Applicant appreciates Examiner's allowance of claims 3-12.

In response to Examiner's observations, Applicant has cancelled rejected claims 1, 2, 13-18, 20, 21, and 24-26. Claims 19 and 22 have been re-written in independent form to include the limitations of the base claim and any intervening claims. Applicant requests that the rejections be withdrawn.

In view of the remarks above, Applicant believes that each of the rejections has been overcome and the application is in condition for allowance. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is asked to contact the undersigned.
